Categories use receipt items; reconciled tax and discounts are distributed proportionally. Unmatched amounts remain Unallocated. One receipt total per photo; refunds reduce totals. Duplicates, excluded receipts and excluded line items are omitted. Receipt date determines the period. Currencies are never combined. These are document totals, not proof of payment or reimbursement.

Document totals are not proof of payment or reimbursement. Counted amounts leave out the lines you excluded. Currencies remain separate. Excluded and duplicate receipts are omitted from summary totals, but remain listed for review.
